The Maryland Black Mayors, Inc. recently hosted its 2017 scholarship and fundraising gala. The gala featured four student honorees who received scholarships. Among them, was Latisha Vincent, last year's recipient of the North Brentwood scholarship of \$500. This year, as the sole applicant, she received \$1,000 due to a generous \$500 contribution from Burch Trash Service.

Congratulation Latisha! The Mayor gave recognition to Burch for giving back to the community. Other scholarship honorees: Joseph R. Crudup, Victor L. James II, and Andreana Denay Miller.

North Brentwood Helping to Make Flood Insurance More Affordable

Some homeowners in the Town have been notified by FEMA and their mortgage company that they must obtain flood insurance. The town is working to obtain reduced elevation certificates to help lower costs for flood insurance. Letters will be going out to those homeowners.

During the June 5th Town meeting, it was bought to our attention other homeowners may be interested in obtaining flood insurance as a precaution. If you are interested, please call the Town office; give your name, complete address, and phone numbers so we can contact you soon about the cost of an updated elevation certificate.

For more information about flood insurance and elevation certifications visit <https://www.fema.gov/elevation-certificate>.

Clean Up the Poop! It's the Law

When pet waste is left on the ground, rain and snowmelt can wash it into storm drains and waterways. This "storm water runoff" can contaminate our sources of drinking water. Scientists at the U.S. Geological Survey estimate animal waste is to blame for 20 to 30 percent of water pollution in America. So, please don't be that kind of person, clean up behind you pet.

Our deepest sympathy goes out to the family of longtime resident Retha Henry (Wallace Rd) who passed.
